BAND STORY

It all started at 510 studios home of Public Enemy producers Hank and Keith Shockley artist Leaders Of The New School Mobb Deep Ice Cube all recorded at 510 Studios being around such great talent it was only a matter of time before I got the fever for hot track making I toured with the Leaders Of The New School and other groups that did not make it for to long but it was enough to learn from their mistakes and now I blaze my own fire I make all kinds of music but my strongest area is New York fire so check them out I cannot upload alot of music on this site but I'm sure they will make improvements as time goes on so check me out!!!
