BAND STORY

I was born and raised in Detroit, MI. My uncle played in the band that toured with the Motown Revue. My father played trumpet and sang, moms played piano and clarinet. I've performed as a rapper, poet, choral singer, soloist, and musician in the marching/symphonic band. Music runs DEEP in my veins. It's the soundtrack to life. I own KitCH'N Muzik, LLC. and my job is to bring that soundtrack to y'all ears. Anything else you'd like to know about me, just ask.
