BAND STORY

Welcome to smooth Noyz Production the instrumentals are up for sell.. Andrew Palmer A.K.A SNP was born on October 8th 1986 birth parents Everton Palmer, and Suki Palmer (RIP September 27th) in Tokyo, Japan. This half korean and Jamaican been playing piano since the tender age of 5, and had a certain passion for music. At age 15 hip-hop was a major influence in his life, and thus started a new life for Andrew. At age 21 producing has become more then a passion, but a motivation towards his life, but had a downfall when his mom passed away September 27th 2008. His mom the biggest influence in his life now lives through to accomplish the impossible, and to pursue his dream. Graduate at John Hopkins University in computer engineering, he shall continue to parish any obstacles in his way. He is currently working with artist, from DC,MD,VA,OH,FL,CA and will continue his music career. ways of contact
